

MATERIAL SAFETY DATA SHEET(MSDS)

Section 1: Product and Company Information

Product Name: MPET FILM

Manufacturer: HANGZHOU HENGXIN FILMING PACKAGING CO., LTD.

Health and Technical Contacts:

TEL:86-571-83811310

FAX:86-571-82872770

Section 2: Composition and Ingredient Information

<u>Common Name</u>	<u>Chemical Name</u>	<u>Wt. %</u>
Polyester chips	Polyester	100

Section 3: Hazards Identification

Appearance and Odor: Transparent solid with no odor:

Emergency Overview

No unusual conditions are expected from this product

Primary Route(s) of Exposure: Skin.

Potential Health Effects:

ACUTE (short term): None.

CHRONIC (long term): None.

Medical Conditions Aggravated by Exposure: None.

Section 4: First Aid Measures

Skin Contact: No irritation,

Ingestion: Ingestion of this product is unlikely. If it dose occur, watch the person for several days to make sure that intestinal blockage dose not occur.

Section 5: Fire Fighting Measures

Flash Point and Method: None.

Flammability Limits (%): None.

Auto Ignition Temperature: Not applicable.

Extinguishing Media: Use any extinguishing media appropriate for the surrounding fire.

Unusual Fire and Explosion Hazards: None known.

Fire Fighting Instructions: Use normal oxygen barrier method.

Hazardous Combustion Products: The combustion products are carbon dioxide and water.

Section 6: Accidental Release Measures

This product can be recycled and reused.

Section 7: Handling and Storage

Handling: The products shall not be bumped when they are transported, loaded and unloaded to avoid the damage of the material. Once the products are deformed, the insulation will be influenced.

Storage: The material shall be stored under normal temperature. Keep the material free from sunlight and humidity.

Section 8: Exposure Controls and Personal Protection

Ventilation: Same as the working surroundings with no special requirement.

Personal Protection:

Skin Protection: None.

Work and Hygienic Practices: Keep the work area clean of dusts. Have access to safety showers.

Section 9: Physical and Chemical Properties

Vapor Pressure (mm Hg @ 20°C): Not applicable **pH:** Not applicable.

Vapor Density (Air=1): Not applicable

Specific Gravity (Water=1): 1.4

Boiling Point: Not applicable

Solubility in Water: Insoluble

Viscosity: Not applicable

Appearance: Solid

Physical State: Solid

Odor Type: None

Freezing Point: Not applicable

Evaporation Rate (n-Butyl Acetate=1): Not applicable

Section 10: Stability and Reactivity

General: Stable

Incompatible Materials and Conditions to Avoid: None

Hazardous Decomposition Products: None

Hazardous Polymerization: Will not occur.

Section 11: Ecological Information

This product is not expected to cause harm to animals, plants or fish.

Section 12: Disposal Considerations

RCRA Hazard Class: Non-hazardous.

Section 13: Transport Information

DOT Shipping Names: Not regulated

Hazard Class or Division: None

Secondary: None

Identification No.: None

Packing Group: None

Label(s) Required (if not excepted): None

Special Provisions: None

Packing Exceptions: None

Non-bulk Packaging: None

Bulk packaging: None

EPA Hazardous Substances: None

RQ: None

Quantity Limitations: Passenger Aircraft: None

Cargo Aircraft: None

Marine Pollutants: None

Freight Description: None

Hazardous Material Shipping Description: None
